Name of Horse: _____

Mare or Gelding: _____

Breed: _____ Age _____

1) How long have you owned your Horse? _____

2) What kind of riding/activities/competitions is your horse involved in?

3) List current health problems:

4) What health problems occurred in the past - including accidents and surgeries:

5) What type of hay, grain and/or feed is your horse currently eating?

Attach an ingredient list for all commercial feeds.

**Note: a Guaranteed Analysis is NOT an ingredient list - please provide the exact ingredients, eg. alfalfa, oils, oats, corn, beet pulp, soymeal, etc...

6) Please list all medications and/or supplements:

Attach an ingredient list for all combination supplements.

7) What type of de-wormers do you use and when was the last de-worming?

8) List any known allergies or sensitivities:

9) List your horse's vaccine history (if known):

10) What other information is relevant to your horse's current health condition including behaviour and emotions:

11) What other holistic therapies has your Horse been treated with?

****Please include by Email or Postal Mail two current pictures of your horse – a full body shot (without a blanket on) and a portrait shot. For lameness and/or any kind of hoof soreness, including laminitis, please include pictures of one front hoof – one side shot and one front shot (both from ground level), and one shot of the bottom of the sole. Hoof pictures should be recent and taken within one week of the last trim.****
