### Homeopathic Glandulars

Homeopathic glandulars are dilutions of the gland or of the hormone that the gland produces. They are safe and very effective in restoring glandular function. Use in a 200C potency and take one dose daily for 14 days to start.

Adrenal	Adrenaline	ACTH
Insulin	Pancreas	Kidney
Ovary	Testes	Thyroid

Thymus  
Pituitary

Thymuline  
TSH

Lymph  
FSH

### Homeopathic Nosodes

Homeopathic Nosodes are dilutions of bacteria and viruses that cause disease and can be used for both prevention and treatment of any infectious condition. For prevention use a 30C potency once daily for 3 to 7 days depending on exposure. For treatment use a 200C potency once daily until symptoms are improved, up to a maximum of 7 days.

Hepatitis A, B and C  
Tetanus  
Staphylococcus  
Chicken Pox  
Lyme

Herpes  
Pneumococinum  
E. Coli  
Rabies

Influenza  
Streptococcus  
Typhoid  
Malaria

### Homeopathic Allergens

Homeopathic remedies to address inhalant allergies are also available. They are dilutions of the offending allergen. To neutralize allergies use a 30C twice daily for 4 days; then one dose - twice weekly during exposure.

Pollens Mix  
Cat Dander

Dust  
Dog Dander

Equine Dander
